Leviticus is a book of worship. It actually is a continuation of the book of Exodus. For that reason, I chose "Road to Oklahoma" to represent Leviticus. Just as Exodus is the story of the flight from Egypt, Leviticus provides us with the road map for worship.

BIBLE STUDIES PATTERN SERIES

3 Leviticus (Road to Oklahoma)

This is Block 3 of a 73 block series representing the 39 books of the Old Testament, 7 books of the Apocrypha, and 27 books of the New Testament. I chose to name the blocks after books of the Bible as a testament to my faith. I call the finished quilt "Bible Studies." Whether Catholic or Protestant, I hope each block will have a special meaning to the quilt maker. For me, reviewing the books of the Bible recalled many of my favorite bible stories and passages. I include a bit of Bible history for each block. I have used, as a reference, the New Oxford Annotated

Bible with the Apocrypha, Revised Standard Version, 1977, an Ecumenical Study Bible.

Leviticus, the book of worship, is divided into five distinct parts. Chapters 1-7 deal with sacrifices, chapters 8-10 describe the consecration of priests to their offices, chapters 11-15 distinguishes the laws of the clean and the unclean, chapter 16 details the process for the annual day of atonement, chapters 17-26 describes the laws that govern Israel's life, and chapter 27 describes religious VOWS.
