1 John is not written as a letter as indicated. It is more of a sermon. This letter was not actually written by John. Rather, it was written by someone who later (In 2 John) describes himself as The Elder. John was the apostle of Love, and 1 John 4:8 is often used as the reading for wedding ceremonies.

BIBLE STUDIES PATTERN SERIES

69- 1 John (Double Star)

This is Block 69 of a 73 block series representing the 39 books of the Old Testament, 7 books of the Apocrypha, and 27 books of the New Testament. I chose to name the blocks after books of the Bible as a testament to my faith. I call the finished quilt "Bible Studies." Whether Catholic or Protestant, I hope each block will have a special meaning to the quilt maker. For me, reviewing the books of the Bible recalled many of my favorite bible stories and passages. I include a bit of Bible history for each block. I have used, as a reference, the New Oxford Annotated Bible with the Apocrypha, Revised Standard Version, 1977, an Ecumenical Study Bible.

I chose Double Star to represent 1 John because the letter serves a double purpose: to deepen the spiritual life of its readers and to correct the belief that God did not become Jesus.
