After long years of wandering in the desert, God finally gave permission for the Israelites to conquer the Promised Land. The book of Joshua is the story of the conquest. I chose the split 9-patch to represent Joshua because the book describes the division of the land among several tribes.

BIBLE STUDIES PATTERN SERIES

6 Joshua (Split 9-Patch)

This is Block 6 of a 73 block series representing the 39 books of the Old Testament, 7 books of the Apocrypha, and 27 books of the New Testament. I chose to name the blocks after books of the Bible as a testament to my faith. I call the finished quilt "Bible Studies." Whether Catholic or Protestant, I hope each block will have a special meaning to the quilt maker. For me, reviewing the books of the Bible recalled many of my favorite bible stories and passages. I include a bit of Bible history for each block. I have used, as a reference, the New Oxford Annotated Bible with the Apocrypha, Revised Standard Version, 1977, an Ecumenical Study Bible.

The Jews recognized three divisions within the Scriptures: the Law, the Prophets & the Writings. The Prophets are also divided into books of the Former Prophets (Joshua, Judges, Samuel & Kings) and books of the Latter Prophets (Isaiah, Jeremiah & Ezekiel).
